**15. Indemnification.**

(a) **Seller's Indemnity.** Except for liabilities specifically assumed by Purchaser pursuant to the terms of this Agreement, Seller shall indemnify and defend (by counsel reasonably acceptable to Purchaser) and hold Purchaser and its officers, shareholders, directors, and employees (collectively, "Purchaser's Indemnified Parties") harmless of, from and against any and all losses, liabilities, expenses, fines, penalties, damages and other costs (including amounts paid in settlement, reasonable costs of investigation, reasonable attorneys' fees and other legal expenses resulting from claims, whether or not ultimately successful) suffered or incurred directly or indirectly by Purchaser or Purchaser's Indemnified Parties, or which Purchaser or any of Purchaser's Indemnified Parties may suffer or incur directly or indirectly, arising out of, with respect to, or based upon:

(i) the inaccuracy in any respect of any of Seller's representations or warranties subject to the terms of Section 8(e) and Section 11(e) herein;

(ii) any closing obligations, liabilities or charges of Seller not expressly assumed by Purchaser except to the extent that Purchaser receives a credit for the same at the Closing; or

(iii) the ownership, operation, repair, replacement and maintenance of the Club Water and Sewer Assets or any portion thereof on or prior to the Closing Date, with the exception of: (x) obligations regarding operation, repair, replacement and/or maintenance which are expressly reserved to Purchaser under the Maintenance Agreement (in which event the terms of the Maintenance Agreement shall govern and Seller shall be relieved of its indemnity liability under this Section 15(a)(iii) with respect to such obligations subject to the terms of the Maintenance Agreement); and (y) any expenses voluntarily incurred by Purchaser to correct the flow characteristics of the Effluent Line so as to cause the effluent to properly flow from the Lagoon Tract to the Irrigation Pumping Station. Notwithstanding the foregoing, in no event shall Purchaser be obligated to correct or repair the flow characteristics of the Effluent Line unless required by applicable Laws to do so.

(b) **Purchaser's Indemnity.** Except for liabilities specifically assumed by Seller pursuant to the terms of this Agreement, Purchaser shall indemnify (by counsel reasonably acceptable to Seller) and hold Seller and its officers, shareholders, directors, and employees (collectively, "Seller's Indemnified Parties") harmless of, from and against any and all losses, liabilities, expenses, fines, penalties, damages and other costs (including amounts paid in settlement, reasonable costs of investigation, reasonable attorneys' fees and other legal expenses resulting from claims, whether or not ultimately successful) suffered or incurred directly or

indirectly by Seller or Seller's Indemnified Parties, or which Seller or any of Seller's Indemnified Parties may suffer or incur directly or indirectly, arising out of, with respect to, or based upon:

(i) the inaccuracy in any respect of any of Purchaser's representations or warranties;

(ii) any obligations, liabilities or charges of Purchaser that are expressly assumed by Purchaser or for which Purchaser receives a credit at the Closing; or

(iii) (x) obligations regarding operation, repair, replacement and/or maintenance which are expressly reserved to Purchaser under the Maintenance Agreement (in which event the terms of the Maintenance Agreement shall govern with respect to such obligations subject to the terms of the Maintenance Agreement) and (y) the ownership, operation, repair, replacement and maintenance of the Club Water and Sewer Assets, or any portion thereof, by Purchaser from and after the Closing Date.

#### **16. Default.**

(a) **Material Default by Seller.** If Seller materially defaults under this Agreement and such default continues for a period of ten (10) days after written notice from Purchaser to Seller concerning the default, then Purchaser shall be entitled to either (i) terminate the Agreement and receive the Earnest Money and reimbursement up to \$50,000 of Purchaser's actual and reasonable out-of-pocket expenses incurred in connection with the proposed sale contemplated under this Agreement, or (ii) institute an action for specific performance. Whether Purchaser elects remedy (i) or (ii) under this Section 16(a), the remedy it elects shall be its sole and exclusive remedy.

(b) **Material Default by Purchaser.** If Purchaser materially defaults under this Agreement and such default continues for a period of ten (10) days after written notice from Seller to Purchaser concerning the default, then, as Seller's sole and exclusive remedy, the Earnest Money Deposit shall be paid over to and retained by Seller as liquidated damages, and thereafter, neither Seller nor Purchaser shall have any further rights or obligations under this Agreement. The parties acknowledge and agree that the amount of actual damages which might be incurred by Seller upon a Purchaser default is uncertain in amount and difficult to ascertain, and that the Earnest Money Deposit is a fair estimate of those damages which has been agreed to by Seller and Purchaser in an effort to cause the amount of said damages to be certain.

(c) Notwithstanding any such limitation on damages, any suit for breach of any representation, warranty or covenant contained in this Agreement or any other action arising under this Agreement must be filed within three (3) years of the Closing Date or be forever barred.

(d) An immaterial default by either party shall not relieve the defaulting party of the obligation to cure such default and the Closing may be delayed until such time as the default is cured or the non-defaulting party is satisfied as to any remedy offered by the defaulting party and an agreement as to any such remedy is made by the parties in writing.

Except as otherwise provided in Section 21(o) herein, damages of both Seller and Purchaser are to be limited to the remedies described in this Section 16.

17. **Casualty; Condemnation.** If prior to the Closing Date any or all of the improvements which constitute a part of the Club Water and Sewer Assets are damaged or destroyed by fire or other casualty (collectively referred to herein as a "Casualty"), or all or any portion of the Club Water and Sewer Assets is taken by exercise of the power of eminent domain or any proceedings are threatened or instituted to effect such a taking (collectively referred to herein as a "Condemnation"), Seller shall immediately give Purchaser written notice of such occurrence, and Purchaser may, within fourteen (14) days after receipt of such notice, elect to: (a) terminate this Agreement, in which event the Earnest Money shall be promptly delivered to Purchaser, and thereafter, neither Seller nor Purchaser shall have any further rights or obligations under this Agreement; or (b) close the transaction contemplated hereby as scheduled (except that if the Closing Date is less than fourteen (14) days following Purchaser's receipt of such notice, then the Closing shall be delayed until fourteen (14) days after Purchaser's receipt of such notice, in which event, in the case of a Casualty, Purchaser shall have the right to participate in the adjustment and settlement of any insurance claim relating to the Casualty and at the Closing Seller shall assign to Purchaser all of Seller's interest in and to any and all insurance proceeds with respect to the Casualty, or in the case of a Condemnation, at the Closing Seller shall assign and/or pay to Purchaser all awards or other damages to which Seller is entitled or of which Seller has already collected or claimed with respect to such Condemnation.

18. **Seller's Right of First Offer Regarding the Lagoon Tract.** Purchaser agrees to grant Seller a right of first offer regarding the Lagoon Tract (the "Right of First Offer Regarding the Lagoon Tract") effective for a period of twenty (20) years after the Closing Date. In the event Purchaser decides to sell the Lagoon Tract, it will provide Seller with the first opportunity to purchase the Lagoon Tract at the price and on the terms proposed by any bona fide third party purchaser. The further terms and conditions of the Right of First Offer Regarding the Lagoon Tract shall be set forth in a separate recordable instrument, the form and substance of which shall be mutually acceptable to both Seller and Purchaser.

19. **Purchaser's Right of First Offer Regarding the Adjacent Tract.** Seller agrees to grant Purchaser a right of first offer regarding the approximately ten (10) acre tract of land located adjacent to the Lagoon Tract (the "Adjacent Tract") (such right being referred to herein as the "Right of First Offer Regarding the Adjacent Tract") effective for a period of twenty (20) years after the Closing Date. In the event Seller decides to sell the Adjacent Tract, it will provide Purchaser with the first opportunity to purchase the Adjacent Tract at the price and on the terms proposed by any bona fide third party purchaser. The further terms and conditions of the Right of First Offer Regarding the Adjacent Tract shall be set forth in a separate recordable instrument, the form and substance of which shall be mutually acceptable to both Seller and Purchaser.

20. **Post-Closing Covenants Regarding the Water and Sewer System.** Provided that the transaction contemplated herein closes in accordance with the terms of this Agreement, the following covenants shall apply:

(a) **Exclusive Supplier of Water and Sewer Services.** Provided that the rate for use of the Water and Sewer System is in accordance with Section 20(b)(i) herein, Seller shall

not: (a) enter into any contract or other arrangement with any third party (other than Purchaser); (b) exercise any rights it has under any documents recorded against all or any part of the Development; or (c) take any other action which would interfere with Purchaser's ability to (i) serve as the exclusive provider of the water (with the exception of water used solely for irrigation systems on the Club Property) and sanitary sewer services to the Development; (ii) operate, manage, maintain, repair or reconstruct the Water and Sewer System; or (iii) expand all or any portion of the Water and Sewer System (including "tying in" or otherwise integrating the existing Water and Sewer System with another system owned by Purchaser), provided that such expansion is in accordance with the standards set forth in the rules and regulations of the ICC and all other Laws of governmental authorities having jurisdiction over the Water and Sewer System.

**(b) Payment for Use of the Water and Sewer System.**

(i) Subject to ICC approval, Seller and Purchaser hereby agree that the rates for the use of the Water and Sewer System for the first ten (10) years after the Closing Date shall be no higher than the then current water and sewer rates charged for similar water and sewer services by the Village of Mundelein, Illinois (the "Village") to residential dwellings located within the legal boundaries of the Village (the "Village Rate"). Thereafter, the applicable rates for use of the Water and Sewer System shall be the rates approved from time to time by the ICC.

(ii) Subject to ICC approval, Purchaser will collect, prior to a lot owner's connection to the Water and Sewer System, (x) the \$12,000 tap-in fee currently in place for the Phase II Area (as described in the Phase II Plat), and (y) the \$12,000 tap-in fee for the Phase III Area to the extent required under a currently effective instrument or document which is legally binding on lot owners in the Phase III Area and which is disclosed to Purchaser by Seller prior to the Closing. Purchaser will, in turn, pay any funds received as tap-in fees to Seller. This practice shall continue until an Access Fee has been paid for all residential lots in Phase II and, to the extent required, Phase III. In the event the ICC does not permit Purchaser to collect the Access Fee, Purchaser shall not interfere with Seller's efforts to continue to do so.

(c) **Effluent.** In accordance with past practice by Seller with respect to its acceptance of effluent from the Effluent Line, Seller shall accept, without charge, delivery from Purchaser the effluent via the Effluent Line from the Water and Sewer System for discharge at the Club Irrigation System until such time that Purchaser elects to obtain and does obtain an NPDES Permit from the Illinois Environmental Protection Agency permitting Purchaser to discharge the effluent into a nearby flowing creek. In the event that after the Closing Purchaser elects to expand the lagoon system above its current capacity of 245 homes and Purchaser continues to use the spray irrigation system, Purchaser shall, prior to its expansion of the lagoon system, pay or reimburse Seller for all reasonable costs to add additional irrigation systems to the extent required to irrigate the golf course in a manner substantially similar to the way in which it was irrigated prior to Purchaser's expansion of the lagoon system.

(d) **Future Facility Construction.** In the event that Purchaser finds it necessary to construct within the Easements on the Club Property (granted to it pursuant to the Grant of Easement) any significant additional utility facilities, Purchaser shall notify Seller about the proposed construction, seek input from it, and construct such facilities in a manner which shall

not unreasonably affect the developability, marketability, value or current use of the Club Property, provided, however, that no above ground improvements shall be constructed on the Club Property without the prior express written approval of Seller and Purchaser shall take all reasonable actions to repair any damage to the Club Property caused by it in the exercise of its rights under the Grant of Easement.

(e) **Obligations Survive the Closing.** The obligations set forth in this Section 20 shall survive the Closing and the delivery of the conveyance documents.

**21. Miscellaneous.**

(a) **Brokerage.** Each party represents to the other that it has not dealt with any broker or finder with respect to the transaction contemplated in this Agreement. Each party shall indemnify and hold the other party harmless from and against any claim for brokerage commissions or other like fees asserted by any third party claiming by, through, or under such party with respect to the transaction contemplated in this Agreement.

(b) **Notices.** Any notice, request or other document (collectively, a "Notice") given under this Agreement shall be in writing and delivered (i) personally, (ii) by telecopy, (iii) by nationally recognized overnight courier service, or (iv) sent by United States registered or certified mail, return receipt requested, postage prepaid, and in all cases addressed to the parties at the applicable addresses set forth below. A Notice shall be effective (i) upon receipt if delivered personally, (ii) upon confirmation of complete receipt if given by telecopy during normal business hours (or the next business day if not confirmed during normal business hours), (iii) on the next business day if deposited with a nationally recognized overnight courier service, prepaid, or (iv) three business days after deposit in the U.S. mail if mailed as registered or certified mail, return receipt requested, postage prepaid.
